23 suspended, the department shall issue a nonoperating identification license
24 that contains a distinguishing number assigned to the licensee, the full

14 other identifying information required by the department.

15 G. The department may adopt and implement procedures to deny a
16 nonoperating identification license to a person who has been deported. The
17 department may adopt and implement procedures to reinstate a person's
18 privilege to apply for a nonoperating identification license if the person's
19 legal presence status is restored.

24 a STANDARD nonoperating identification license, except that the department
25 shall not require an examination.

26 J. FOR EACH ORIGINAL OR INITIAL APPLICATION OR RENEWAL APPLICATION FOR
27 AN ENHANCED IDENTIFICATION LICENSE, THE DEPARTMENT SHALL CHARGE A FEE OF

36 ~~K.~~ L. If a person qualifies for a nonoperating identification license
37 and is under the legal drinking age, the department shall issue a license
38 that is marked by color, code or design to immediately distinguish it from a
39 nonoperating identification license issued to a person of legal drinking age.
40 The department shall indicate on the nonoperating identification license
41 issued pursuant to this subsection the year in which the person will attain
42 the legal drinking age.

43 ~~L.~~ M. If a minor has been emancipated pursuant to title 12, chapter

1 nonoperating identification license that contains the words "emancipated
2 minor".

4 28-3171. Driver license expiration and renewal: exception:
5 extension by mail

6 A. Except as provided in subsection B, D or E of this section and
7 unless medical restrictions require a shorter expiration period, a driver
8 license:

9 1. Is valid until the applicant's sixty-fifth birthday.

10 2. Is renewable for successive periods of five years after the
11 applicant's sixty-fifth birthday.

18 that is valid for not more than five years and six months if the applicant

28 (b) An immediate family member of any active duty military personnel
29 temporarily stationed in this state.

30 (c) Any other person for whom the director determines other
31 circumstances justify the issuance.

32 C. An applicant shall apply for renewal of a driver license before the
33 expiration of a current license. The department may require an examination
34 of a renewal applicant for a class D, G or M license as required of an
35 original applicant.

36 D. A veteran, as defined in section 41-601, whose driver license
37 expires is not required to renew the veteran's driver license for six months
38 from the date of the veteran's discharge from military service.
